

GTAs at Brunel...

- Are predominantly international PhD students – no prior UK HE experience
- Receive training prior to starting their role (training focuses on the practicalities and pedagogies)
- Have CPD opportunities and a comprehensive programme leading to AFHEA award
- Have academic mentors to support the AFHEA process

The future and the bigger picture...

- Opportunities for expanding their experience
- Portability of their knowledge and experience from one institution to another
- Platforms for networking with other GTAs and GTA developers
- Institutional collaborations to share resources and insights
- CPD, knowledge exchange and inclusive events

...to make a meaningful contribution to the individuals and to the teaching quality.
