UKCISA UK Council
for International
Student Affairs

- A student-led document, created by UKCISA's #WeAreInternational student ambassadors, and developed with the input of students and staff from across the UK.
- The charter provides guidance on the fundamental principles for delivering a world-class international student experience, from pre-arrival to post-graduation.
 - Support the charter by pledging to provide the highest level of international student experience and support, according to the five principles highlighted in the #WeAreInternational Student Charter

WELCOMING ENVIRONMENT

1. Create a welcoming, inclusive, and equitable environment for international students in the UK

STUDENT VOICE IN DECISION-MAKING

2. Value international students' perspectives and voices in institutional policy and decision-making

SUSTAINABILITY

3. Integrate sustainability as a core value in institutional internationalisation strategies

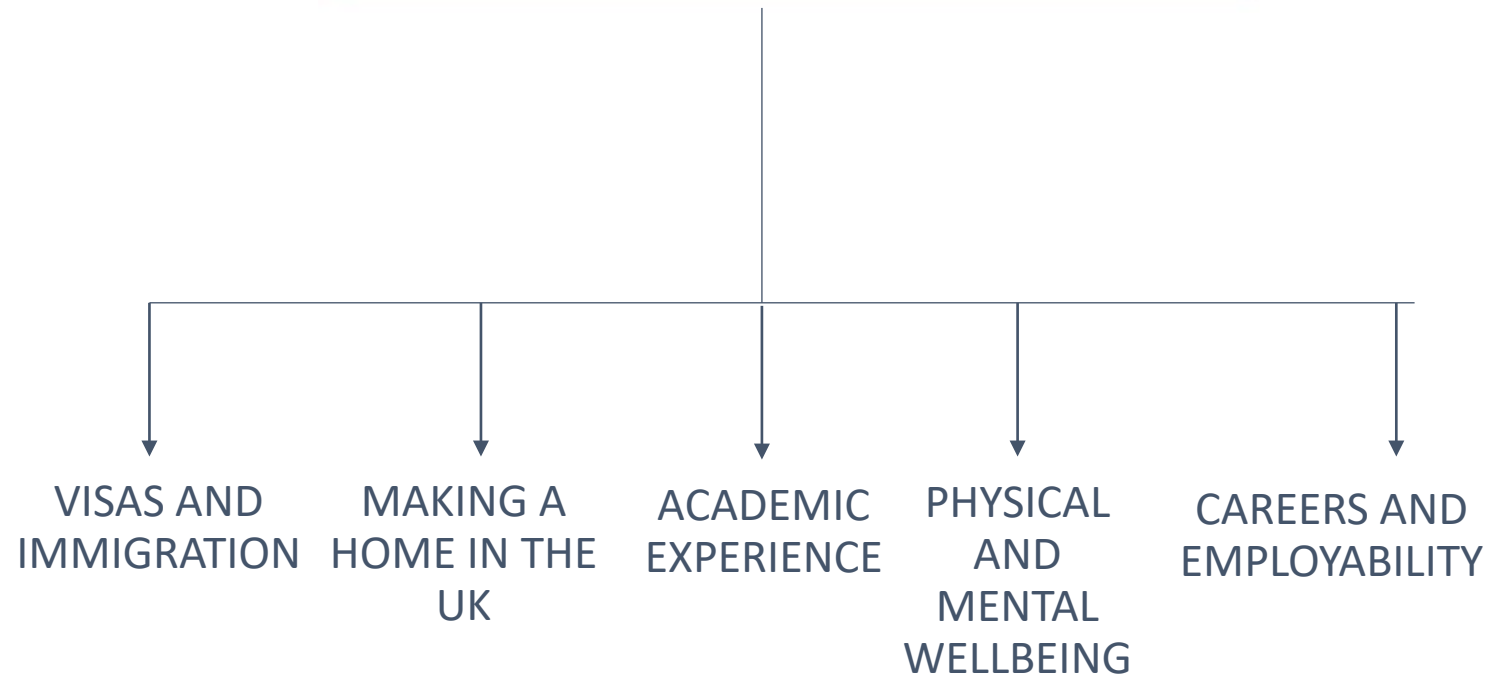

MONITOR AND EVALUATE

4. Monitor and evaluate existing available support and provision for international students on an ongoing basis

TARGETED SUPPORT

5. Make available targeted support for international students in every area of the student experience

Questions to consider

- Have you read the #WeAreInternational Student Charter?
- In what ways are you already applying the principles outlined in the charter? Where are the gaps? Where can you improve?
- How might the charter support you in your role to enhance the international PGT student experience?
